THIS PROGRAMME IS IMPLEMENTED BY:

North Macedonia – Albania

The Project Antennae Officer will be located in the Antenna Office in Elbasan. In addition to the tasks of a project officer, he/she should be specialized also in Communication and Information.

Under the supervision of the Team Leader, the Project Antennae Officer will be responsible for all matters relating to the management and implementation of the Programme, including the coordination of specific activities. He/She will play a fundamental role on contract reporting, administration of resources, assistance in the launching of calls for proposals, on field project monitoring (particularly result oriented), collecting data for the programme reports and supporting activities related to publicity, visibility and information.

The Antenna Project Antennae Officer under the direction of the Head of JTS will be in charge of all administrative and logistic tasks related to the internal functioning of the JTS Antenna Office in Elbasan.

The Antenna Project Antennae Officer shall discharge his/her duties full time in the office and on the field.

Essential Job Functions

Under the supervision of the Head of JTS, SASPAC and MoLSG, the Project Antennae Officer at the Antennae Elbasan will be responsible:

- Assist the JTS and CBCSs in preparation of the implementation of action such as preparation of the Annual Implementation Reports, Annual Work Plans, Quarterly Progress Reports, Interim Reports, Final Reports, and Guidelines for Applicants and Application form.
- Support the organization of the Joint Monitoring Committee (JMC) and CBCSs meetings, as well as provide secretarial support, keeping, designing and distribution of minutes of the meetings.
- Support the CBCSs in the management of the TA grant contract and take care of all the expenditures related to its implementation. Timely preparation and submission of all administrative and financial requests for the proper management of the TA grant contract.
- Assist CBCSs with the development of strategic projects (operations outside calls for proposals) to organize and launch a call for collecting project ideas for strategic projects within the CBC programme North Macedonia-Albania 2021-2027.
- Assists CBCSs to provide background data and arrange meetings for the auditors of the programme, as well as cooperate with programme auditors (e.g. supply of relevant documents and information, interviews) if, and when it is required.
- Assists the CBCSs and ensure administrative and logistic support to the meetings of the joint task force (JTF) that will be in charge of the preparation of the 2021-2027 IPA IV CBC programme document.
- Support the CA of the programme on the publicity and information activities related to CfPs (e.g. publications, timeline of the info-sessions, and other relevant information in the website).
